## ACKNOWLEDGMENT

We would like to express our gratitude to all individuals and organizations who have contributed to the completion of this research paper on online art gallery system. We are also thankful to the participants who generously volunteered their time and insights to participate in interviews, surveys, or experiments, providing valuable data and perspectives that informed our research findings. We would like to acknowledge the contributions of **Ms. A. G. Survase**, who provided guidance, feedback, and support throughout the research process. Their expertise and mentorship were instrumental in shaping the direction and methodology of this study. Special thanks are due to **[Tejasvi Agalave, Samruddhi Ingale ,Ankita Warkare]**, who collaborated with us on various aspects of the research, including data collection, analysis, and interpretation. Their contributions enriched the quality and depth of our findings and strengthened the overall impact of the paper.
