**INFORMATION BROCHURE**

## ABOUT MPC

Murugappa Polytechnic College, established in 1957 has emerged as an Institution of excellence over the past six decades. It is a Government - Aided Institution managed by A.M.M Foundation, Chennai. The Institution is affiliated with the State Board of Technical Education, Tamilnadu and it is academically autonomous. MPC offers Full-Time Regular, Sandwich, and Part-Time Diploma Courses in various disciplines. The National Board of Accreditation (NBA) accredited 5 diploma programmes offered at MPC. We are delivering quality education & training through a need-based curriculum developed by involving Industrial experts. The hallmark of MPC's education is its strong and widespread alumni network and support of the industry.

## ABOUT CREATE 2025

MPC feels proud to host the 4<sup>th</sup> National Level Technical Project Competition-cum-Conference for Polytechnic College students **"CREATE 2025"**. It provides an excellent opportunity for the students to showcase their talent, innovative

design orientation and untapped potential. The goal of this event is to prepare the future generation of engineers, not only as problem solvers but also to be innovative leaders and responsible citizens. The Project enables students and faculty to transform their learning into knowledge, knowledge into action, and action into practice. The competition and conference will help students to reconsolidate their knowledge and professional skills and prepare them for industry readiness. This may result in turning student's technical projects into useful commercial products.

## STREAMS IDENTIFIED

Keeping in mind to allow the diploma engineering students in every sphere the following streams were identified for the competition and conference. The prizes are to be awarded stream-wise separately.

- Civil & Allied
- Computer & Allied
- Electrical & Allied
- Electronics & Allied
- Mechanical & Allied

## ELIGIBILITY CRITERIA

- Polytechnic College students from all branches and all years (1<sup>st</sup>, 2<sup>nd</sup> & Final Years) are eligible to participate.
- A Project Team consists of a Maximum of 6 Students and a Faculty Guide. A Faculty Guide is recommended but not mandatory.
- Students from different branches can form teams.
